Where do I get my clinical clearance?

Start by submitting the required forms under the “Allied Health Students” tab [here](#). The physical exam and immunization form need to be completed by your healthcare provider. All required immunizations are listed on that form.

If you are experiencing difficulties getting an appointment at healthcare facilities, please have your doctor fax us your immunization/physical exam records.

We also need a copy of your insurance card, a copy of your CPR certification and, for those in the Paramedic Program, color blindness testing.

Once all requirements are fulfilled, we'll issue your Clinical Clearance form.

What if I do not have record of my immunizations?

You will need to get titers done to check for immunity:

- Hepatitis B titer
- MMR titer
- Varicella titer

In addition, you will also need to have the following done:

- 2 TB skin tests or TB blood work
- TDAP

What if I do not have insurance?

NHTI does not offer insurance. Students who require insurance can check with private insurance options or apply at <https://www.healthcare.gov/>. You can get help navigating the healthcare.gov website at either:

1. NH Navigator: 603-931-3858, 1-877-211-6284, chat: <https://acanavigator.com/nh/contact>
2. Health Market Connect: help@hmcnh.com or at 603-309-2021, <https://www.hmcnh.com/>

It is critical that you know the NHTI insurance policy:

- Proof of health insurance is required by submitting a copy of your insurance card. Active military students can submit a copy of your military ID. To be accepted, health insurance must meet the following criteria:
 - Be a U.S.-based insurance plan;
 - Provides the “10 Essential Health Benefits” specified in the Affordable Care Act
 - Includes access to hospital and physician providers in the area where you are attending NHTI
 - Remains in effect for the entire semester (except for termination due to the attainment of a maximum age, or other situation resulting in a loss of plan eligibility)
- The follow plans do not meet the criteria:
 - An accident-only policy
 - A short-term limited-duration health plan that does not meet the requirements of the Affordable Care Act
 - A ministry sharing plan, even if it is recognized by the ACA
 - Any other health benefits program (e.g., a community care program) that is not recognized by the state of N.H. as being health insurance (or is not a health

benefits plan governed by the Employee Retirement Income Security Act of 1974) and does not meet all of the requirements specified above.

We can offer free immunizations for those who do not have insurance. Please contact us for more information: 603.230.4043 or NHTIhealthservices@ccsnh.edu.

We also post classes and free clinics on [Twitter](#) and [Facebook](#).

I do not have a doctor. Where can I get a physical?

You can get a free physical exam at NHTI's Health Center, and no insurance is required. Please note that this is only available on certain days each semester. We require that you schedule an appointment for a physical exam: 603-230-4043 or NHTIhealthservices@ccsnh.edu.

You can also go to any [Convenient MD](#), [CVS Minute Clinic](#), or [Concentra](#). If you do not have insurance, you can visit the Health Center for voucher for a free physical exam at [any Convenient MD](#) in the state.

As long as you are compliant in the process of getting them done and make sure we have a record of each shot as you get them, you will be cleared for clinical. Please make sure to get a **Hepatitis B surface antibody titer at the end of the series**. This is a clinical clearance requirement.

Does my doctor need to fill out the Health History Form?

No, you can fill out the [Health History Form](#) yourself. Your doctor (or healthcare provider) needs to fill out the [physical exam and immunization portion](#), unless you have your healthcare provider fax those records to us.
