November Fun Facts!

- Only two U.S. presidents share a birthday. James Polk (1795) and Warren Harding (1865) were both born on November 2nd
- In the US, November's full moon is called the Beaver Moon because in the Colonial Era it was the time to set beaver traps before the swamps froze and the animals settled into their lodges for winter
- November begins on the same day of the week as March every year

Donate a wreath to be placed on a Veterans grave at the Boscawen Veteran Cemetery in honor or memory of a loved one. Deadline to submit forms is Monday, November 24
